Information on the panels

- A panel will last 75 minutes, of which 30 minutes will be allocated for the presentation, 15 minutes for the discussant, and 30 minutes for the general discussion.
- It is assumed that participants have read all texts in advance.
- If you have not already done so and are eligible, please prepare your dissertation agreement for finalization.
- Please reflect on your progress at the beginning of the paper and/or presentation and also give an outlook on the phase up to the next PhD workshop.

Information on the papers/outlines

- For advanced dissertation/post-doc-projects, only the progress since the last presentation should be presented, as well as a brief outlook on the further course of research.
- In order to help readers understand how your text fits into your overall project please hand in, together with your paper, a table of contents or a synopsis with some background information.
- - Please observe strictly that texts should not be longer than 20 pages.

All texts must be uploaded to Google Drive **by 27.09.2022** at the following link:
